FOR IMMEDIATE RELEASE

July 5, 2023

DeKalb to Host Tire Disposal Event

Tire Amnesty Day aims to prevent illegal tire dumping

DECATUR, Ga. – The DeKalb County Sanitation Division will host two Tire Amnesty Day events on **Saturday, July 29, 2023**, from **8 a.m. – 1 p.m.** The events provide an opportunity for residents to dispose of car and light-duty truck tires and will be held simultaneously at the DeKalb County Tax Commissioner's Office parking lot, **4380 Memorial Drive, Decatur, GA 30032**, and the Seminole Road Landfill, **4203 Clevemont Road, Ellenwood, GA 30294**.

DeKalb County residents will also have an opportunity to dispose of small tires from wheelbarrows, golf carts and bicycles. Event participants will be limited to 10 whole or partial tires. Commercial vehicle tires and tires with rims will not be accepted.

The Tire Amnesty Day events will be instrumental in diverting tire disposal at the county-owned Seminole Road Landfill and commercial dumpsters. The events also aim to reduce the illegal dumping of tires in streams, rivers, and other areas throughout DeKalb County.

Improperly disposed tires can be harmful to the environment. In addition to being an eyesore and creating blight, illegally dumped tires can increase vector-borne illnesses like Zika, West Nile, and dengue fever. Tires can also become an ignition source for environmentally harmful fires and cause air pollution.

Tire recycling services for the event will be provided by Latham Home Sanitation Company Inc.

The events are free and only open to DeKalb County residents. Proof of residency may be requested.

For more information, contact the Sanitation Division's Customer Care team at 404-294-2900 or sanitation@dekalbcountyga.gov, visit www.dekalbsanitation.com, or follow the Sanitation Division on Twitter @DKalbSanitation.
