DEKALB COUNTY, GA -

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the watershed systems serving your community. The **College Avenue Water Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that there will be a lane closure between **Lakeshore Drive** and **North Clarendon Avenue** starting **July 16 through Aug. 29**, barring any weather delays. During this closure, there will be detour signs in place to direct traffic around the closed off portion of the road. The lane closure will take place between 9 a.m. – 4 p.m.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

**GS Construction**, working on behalf of DeKalb County, is the authorized contractor for the **College Avenue Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding **College Avenue Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
