

Subject: Harrington Water Main Replacement Project Update: December 31, 2025

Dear Resident,

On behalf of the Harrington Water Main Replacement Project, our construction crews have completed all construction work on this project, as required by DWM. Approximately 9,500 linear feet of aging pipelines have been replaced. Construction crews will return Spring 2026 for restoration work. Our team would like to express our gratitude for your support and cooperation.

Should you have any inquiries regarding the Harrington Water Main Replacement Project, please do not hesitate to contact me directly or to call the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).
