Subject: San Gabriel Water Main Replacement Project

Dear Resident/Homeowner,

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the watershed systems serving your community. The **San Gabriel Water Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that construction activities associated with this project will start on **October 9, 2025**. Crews will replace approximately 43,100 linear feet of ductile iron water pipe between Columbia Drive and Glenwood Road. This project is expected to last approximately 14 months (October 2025 to December 2026), barring any weather delays.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

GS Construction, working on behalf of DeKalb County, is the authorized contractor for the **San Gabriel Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **San Gabriel Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov.

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
