DECATUR GA

Dear Resident/Homeowner,

As part of DeKalb County's \$2.4 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community.

The Cobb Fowler North Trunk Sewer Upsizing Project is being designed to improve the watershed system in your community.

This letter serves as a formal invitation to learn more about the Cobb Fowler North Trunk Sewer Upsizing Project, interact with the project team and provide feedback.

The county confirms and will host one (1) Public Information Open House (PIOH) event about this project.

Meeting Date & Time:

Tuesday, August 20, 2024

4:30 – 6:30 p.m.

Porter Sanford III Performing Arts & Community Center

3181 Rainbow Dr

Decatur, GA 30032

The Cobb Fowler North Trunk Sewer Upsizing Project will address repeat sanitary sewer overflow areas and help meet future sewer demands for the next 50 years. The construction is expected to begin between 2025 and 2026 and last approximately two years, barring any unforeseen circumstances and weather delays.

CDM Smith, working on behalf of DeKalb County, is the engineering and design company for the Cobb Fowler North Trunk Sewer Upsizing Project. Should you have

any questions or concerns about this project, please contact the DWM Project Information line at 1-800-986-1108 or email cobbfowlernorthsewer@dekalbcountyga.gov.

We look forward to your attendance and appreciate your support as we work diligently to improve DeKalb County's watershed system.
