Brookhaven, GA -

As part of DeKalb County's \$4.27 billion capital improvement program, the Department of Watershed Management (DWM) will be improving the capacity and service of the Watershed systems serving your community. The **Grant Drive Water Main Replacement Project** has been designed to improve the watershed system in your community.

This letter serves as formal notification that there will be road closure on **Thompson Road between Dresden Drive and Grant Drive** for approximately four weeks starting Feb. 25, barring any weather delays. During this closure, there will be detour signs in place to direct traffic.

Normal construction hours will be from 7 a.m. to 7 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

**The Renee Group**, working on behalf of DeKalb County, is the authorized contractor for the **Grant Drive Water Main Replacement Project**. All workers will be wearing proper identification and driving marked vehicles.

Should you have any questions or concerns regarding the **Grant Drive Water Main Replacement Project**, please do not hesitate to contact the DWM Project Information line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).

We appreciate your patience as we work diligently to make improvements to DeKalb County's watershed system.
