## Agenda Item

**File #:** 2019-3557

7/9/2019

**File Status:** Approval Review

**Public Hearing:** YES ☒ NO ☐

**Department:** Planning & Sustainability

**SUBJECT:**

**COMMISSION DISTRICT(S):** ALL

Application by the Director of Planning and Sustainability for a text amendment to the Zoning Ordinance, Chapter 27, Table 4.1 and Article 4.2.23 *Drive-through facilities* to allow a drive through facility, for a use other than a restaurant, to be allowed in the C-1 (Local Commercial) and C-2 (Commercial) districts located in Activity Centers.

**PETITION NO:** D1. TA 19 1243216

**PROPOSED USE:** Drive-through facility

**LOCATION:** All of DeKalb County

**PARCEL NO. :** N/A

**INFO. CONTACT:** Marian Eisenberg

**PHONE NUMBER:** 404-371-4922

**PURPOSE:**

Application by the Director of Planning and Sustainability for a text amendment to the Zoning Ordinance, Chapter 27, Table 4.1 and Article 4.2.23 *Drive-through facilities* to allow a drive through facility, for a use other than a restaurant, to be allowed in Commercial districts. This amendment is to allow, with a Special Land Use Permit (SLUP), drive throughs for banks, dry cleaners, drugstores, and other non-restaurant businesses that are currently prohibited in a commercial district if located in an Activity Center designation.

**RECOMMENDATION:**

**COMMUNITY COUNCIL:** (April 2019) CC-1 APPROVAL; CC-2 APPROVAL; CC-3 APPROVAL; CC-4 APPROVAL; CC-5 APPROVAL.

**PLANNING COMMISSION:** 5/7/2019 - APPROVAL

**PLANNING STAFF:** (June 2019) APPROVAL

**STAFF ANALYSIS:** The current code allows, with a Special Land Use Permit (SLUP), drive throughs only in the mixed-use districts, if located within an activity center. This text amendment seeks to allow property zoned commercially to permit drive throughs with a SLUP. The SLUP will allow the Board to evaluate the layout of the drive through, speaker and windows, as well access to the site. This is for non-restaurant drive throughs

only.

**PLANNING COMMISSION VOTE: (5/7/2019) Approval 6-2-1.** P. Womack, Jr. moved, V. Moore seconded for adoption of the text amendment per Staff recommendation, as presented with amendments. J. Johnson and J. West opposed; A. Atkins abstained.

**COMMUNITY COUNCIL VOTE/RECOMMENDATION: (June 2019): CC-1** Approval, 5-0-0; **CC-2** Approval, 5-0-1; **CC-3** Approval with Conditions, 10-0-0; **CC-4** Approval, 9-2-0; **CC-5** Approval, 6-0-1. Community Council District 4 would like specific criteria to be developed for drive-through facilities. They are concerned about the health effects of exhaust from idling cars in drive-through lanes and safety hazards if a drive-through facility is located within a commercial center and drivers must cross traffic to enter a drive-through lane. **(April 2019) CC-1** No Quorum 1-0-0; **CC-2** Full Cycle Deferral 6-0-0; **CC-3** Approval 12-0-0; **CC-4** Full Cycle Deferral 9-4-0; **CC-5** Approval 9-0-0. Community Council-4 voted that the text amendment should be modified so that certain types of drive-through facilities such as drive-through funeral homes would be prohibited. Additionally, there were concerns that the requirement that drive-through facilities be at least 60 feet away from residential was not stringent enough, and that the distance requirement needed to be increased. Council also suggested that the drive-through supplemental regulations include a requirement that the drive-through use was non-transferrable. Additionally, the standard regarding lighting needed to be strengthened to better protect adjacent properties.

**AN ORDINANCE**

**AN ORDINANCE TO AMEND THE CODE OF DEKALB COUNTY,  
AS REVISED 1988, CHAPTER 27, ARTICLE 4, PERTAINING TO  
THE REGULATION OF DRIVE-THROUGH FACILITIES,  
AND FOR OTHER PURPOSES.**

**WHEREAS**, the DeKalb County Board of Commissioners is vested with authority to regulate land use through the adoption of planning and zoning ordinances which reasonably relate to the public health, safety, morality and general welfare of the County and its citizens; and

**WHEREAS**, the DeKalb County Board of Commissioners has determined that certain land uses, including but not limited to drive-through facilities, require the imposition of additional regulations to mitigate negative impacts on the public health, safety, welfare as well as environmental, aesthetic, and infrastructure impacts; and

**WHEREAS**, existing land use regulations do not permit drive-through facilities (other than restaurants) in Activity Center character areas located in either C-1 (Local Commercial) or C-2 (Commercial) districts; and

**WHEREAS**, the DeKalb County Board of Commissioners seeks to apply the same standard for drive-through facilities as it does to drive-through restaurants in the above-identified areas; and

**WHEREAS**, the DeKalb County Board of Commissioners therefore desires to amend the Use Table (Table 4.1) and Section 4.2.23 relating to drive-through facilities, to permit with a Special Land Use Permit drive-through facilities associated with non-restaurant uses, such as banks or dry cleaners, in Activity Center character areas located in C-1 (Local Commercial) and C-2 (Commercial) districts.

**NOW, THEREFORE, BE IT ORDAINED** by the Governing Authority of DeKalb County, Georgia, and it is hereby ordained by the authority of the same, that Chapter 27, Article 4 of the Code of DeKalb County, as Revised 1988, is hereby amended as follows:

## **PART I: ENACTMENT**

*By amending Sections 4.1.3 (Table 4.1) and 4.2.23 of Chapter 27 of the Code of DeKalb County, as Revised 1988, to read as follows:*

\* \* \*

### **Sec. 4.1.3. - Use Table.**

\* \* \*

*Note to codifier: please insert the Use Table attached hereto as Exhibit 1.*

\* \* \*

### **Sec. 4.2.23. - Drive-through facilities.**

All drive-through facilities must comply with the following:

- A. Drive-through facilities shall not be located within sixty (60) feet of a residentially zoned property, as measured from any menu or speaker box to the property line of the residential property, unless part of a mixed-use development.
- B. No drive-through facility shall be located on a property less than ten thousand (10,000) square feet in area, unless part of a mixed-use development. Stacking spaces for queuing of cars shall be provided for the drive-through area as required in Article 6 of this chapter.
- C. Drive-through lanes and service windows serving drive-through lanes shall only be located to the side or rear of buildings.
- D. Drive-through canopies and other structures, where present, shall be constructed from the same materials as the primary building and with a similar level of architectural quality and detailing.
- E. Speaker boxes shall be pointed away from any adjacent residential properties and shall require masonry sound attenuation walls with landscaping or other speaker volume mitigation measures. Speaker boxes shall not play music but shall only be used for communication for placing orders.
- F. All lighting from drive-through facilities shall be shaded and screened so as to be directed away from any adjacent residential property.
- G. Stacking spaces shall be provided for any use having a drive-through facility or areas having drop-off and pick-up areas in accordance with the following requirements. Stacking spaces shall be a minimum of ten (10) feet wide and twenty-five (25) feet long. Stacking spaces shall begin at the last service window for the drive-through lane (typically the “pick-up” window).
- H. All drive-through facilities with the exception of drive-through restaurants shall provide at least three stacking spaces for each window or drive-through service facility.

- I. The following standards shall apply to all stacking spaces and drive-through facilities:
  1. Drive-through lanes shall not impede on and off-site traffic movements, shall not cross or pass through off-street parking areas, and shall not create unsafe conditions where crossed by pedestrian access to a public entrance of a building.
  2. Drive-through lanes shall be separated by striping or curbing from off-street parking areas. Individual lanes shall be striped, marked, or otherwise distinctly delineated.
  3. All drive-through facilities shall include a bypass lane with a minimum width of ten (10) feet, by which traffic may navigate around the drive-through facility without traveling in the drive-through lane. The bypass lane may share space with a parking access aisle.
  4. Drive-through lanes must be set back five (5) feet from all lot lines and roadway right-of-way lines.
  5. Owner and operator are responsible for daily litter clean-up to ensure the property remains free of trash, litter, and debris.
  6. Drive-through restaurants shall not be located within five hundred (500) feet of an elementary, middle, or high school.
  7. Drive-through restaurants and drive-through facilities located in activity centers require a special land use permit. For drive-through restaurants in all other character areas, a special land use permit is required unless the drive-through restaurant facility can meet at least two of the following criteria:
    - a. The drive-through restaurant Facility is located within four hundred (400) feet of an intersection of a major arterial street and a major or minor arterial street, or within one thousand (1,000) feet of an interstate highway interchange.
    - b. The drive-through restaurant Facility is accessible only through inter-parcel access or through a shared driveway.
    - c. The drive-through restaurant Facility is part of a major development as defined in Art. 8.1.16.
  8. Distance shall be measured from the right-of-way of the exit or entrance ramp, or street corner (middle of the radius), along the intersecting street right-of-way, to the nearest property line.

\* \* \*

## **PART II. EFFECTIVE DATE**

This ordinance shall become effective upon adoption by the Board of Commissioners and approval by the Chief Executive Officer.

### **PART III. SEVERABILITY**

Should any section or provision of this ordinance be declared by a court of competent jurisdiction to be invalid or unconstitutional, such decision shall not affect the validity of the ordinance as a whole, nor any part thereof, other than the part so declared to be invalid or unconstitutional.

### **PART IV. REPEAL OF CONFLICTING ORDINANCES**

This ordinance amends the zoning ordinance of DeKalb County, and all other conflicting ordinances or resolutions are hereby repealed, provided that nothing herein shall be construed as repealing the conditions of use, operation, or site development accompanying permits lawfully issued under previous ordinances or resolutions, and provided further that modification or repeal of those past conditions of approval may be accomplished as authorized and provided by the requirements of this zoning ordinance.

**ADOPTED** by the DeKalb County Board of Commissioners, this \_\_\_\_\_ day of \_\_\_\_\_ 2019.

---

**JEFF RADER**  
Presiding Officer  
Board of Commissioners  
DeKalb County, Georgia

**APPROVED** by the Chief Executive Officer of DeKalb County, this \_\_\_\_ day of \_\_\_\_\_, 2019.

---

**MICHAEL L. THURMOND**  
Chief Executive Officer  
DeKalb County, Georgia

**ATTEST:**

**BARBARA NORWOOD-SANDERS, CCC**

Clerk to the Board of Commissioners and  
Chief Executive Officer  
DeKalb County, Georgia

**APPROVED AS TO SUBSTANCE:**

**ANDREW BAKER**

Planning Director

**APPROVED AS TO FORM:**

**VIVIANE H. ERNSTES**

County Attorney
