**FOR IMMEDIATE RELEASE**

February 1, 2022

## **Cartecay Drive Water Meter Replacement Project Continues**

*Connection may cause water outage approximately 1-4 hours*

**Decatur, Ga.** – DeKalb County and its contractors will continue the water meter replacement on **Cartecay Drive, between Ellijay Drive and Sylvan Circle.**

Work is planned for **Wednesday, Feb. 2**, through **Friday, Feb. 4**, unless unforeseen circumstances arise.

As crews connect the new water main, residents may experience periods of low to no water pressure during the work hours of 9 a.m. to 5 p.m. These planned outages are expected to last approximately one to four hours. Our construction crews will work diligently to minimize the length of impact to residents.

This work is being performed as a part of the annual water and sewer construction administered by the DeKalb County Office of Engineering & Construction Management Services. Under the program, water mains throughout the county are being replaced with new pipelines to repair damaged lines, improve water pressure, quality and reliability of water service.

For more information, visit the DWM website at [www.dekalbwatershed.com](http://www.dekalbwatershed.com), call the DWM Project Information Line at 1-800-986-1108 or email: [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov).
