**FOR IMMEDIATE RELEASE**

March 21, 2022

*UPDATE*

**Buford Highway Emergency Sewer Line Replacement  
Project Postponed until March 28**

*Construction to replace 60 linear foot of 8-inch sewer line*

**DECATUR, Ga.** – Efforts to improve water service capacity throughout DeKalb County continues on Monday, March 28, with the launch of the Buford Highway Emergency Sewer Line Replacement Project. Crews will replace 60 linear feet of failing sewer line with new 8-inch ductile-iron pipe near 3700 Buford Highway. This line repair project is expected to last approximately two weeks, from March 28 to April 8), barring any weather delays.

Normal construction hours will be from 9 a.m. to 3 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

Motorists should expect delays stemming from the lane closure. Lane closure signs and traffic flaggers will assist motorists in moving safely around the lane closure. Our construction crews will work diligently to minimize the length of impact to motorists.

To learn more about the Buford Highway Emergency Sewer Line Replacement Project call the DWM Project Information Line at 1-800-986-1108 or email [projectinfo@dekalbcountyga.gov](mailto:projectinfo@dekalbcountyga.gov) with questions.
