McClave Drive Water Line Replacement Project Begins Aug. 3

Construction to install new water line system

DECATUR, Ga. – Efforts to improve water service capacity throughout DeKalb County continues on Wednesday, Aug. 3, with the launch of the McClave Drive Water Line Replacement Project. Crews will replace 12,000 linear feet of crumbling water lines with new 8-inch ductile-iron water lines along McClave Drive. This line repair project is expected to last approximately eight months (August 2022 to April 2023), barring any weather delays.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

To learn more about the McClave Drive Water Line Replacement Project, join the virtual community meeting on Tuesday, August 2, 6:30 p.m., via Zoom at <https://dekalbcountyga.zoom.us/j/5029881429>.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
