FOR IMMEDIATE RELEASE

August 3, 2022

North Shore Water Main Replacement Begins Aug. 18

Crews will replace damaged water main

DECATUR, Ga.— Efforts to improve water service capacity throughout DeKalb County will continue on Thursday, Aug. 18, with the launch of the **North Shore Road Water Main Replacement Project**. Crews will replace 11,200 linear feet of crumbling water lines with new 8-inch-diameter, ductile-iron water lines along North Shore Road. This line repair project is expected to last approximately 4 months (**August 2022 to December 2022**), barring any weather delays.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

To learn more about the **North Shore Road Water Main Replacement Project** join the virtual community meeting on Thursday, Aug. 4, 6:30 p.m., via Zoom at:
