Wawona Drive Emergency Water Line Replacement Scheduled for Aug. 20-21

Construction to replace 20 linear feet of failing water line

DECATUR, Ga. – Efforts to improve water service capacity throughout DeKalb County continue on **Saturday, Aug. 20**, with the launch of the Wawona Drive Emergency Water Line Replacement Project.

Crews will replace 20 linear feet of failing water line with new 16-inch-diameter coated steel pipe near Buford Highway. This overnight line repair project is expected to last approximately 12 hours (Aug. 20, 10 p.m., to Sunday, Aug. 21, 10 a.m.), barring any weather delays.

During this time residents in the area will experience low to no water pressure.

To learn more about the **Wawona Drive Emergency Water Line Replacement Project** call the DWM Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov with questions.
