**FOR IMMEDIATE RELEASE**

August 17, 2021

**Peachcrest Road Water Infrastructure Replacement  
Project Rescheduled for Aug. 19**

*Construction to repair 16-inch water valve delayed*

**Decatur, Ga.** – On **Thursday, Aug. 19**, DeKalb County and its contractors will repair a leaking 16-inch water line on Peachcrest Road between Maplehurst Drive and Columbia Drive. Work is expected to last approximately 4 hours, unless unforeseen circumstances arise, that may impact this schedule. Residents and businesses should expect a **water outage** while the line is replaced on **Thursday, Aug. 19, between 3 and 8 p.m.**

This work is being performed as a part of the annual water and sewer construction administered by the DeKalb County Office of Engineering & Construction Management Services. Under the program, water mains throughout the county are being replaced with new pipelines to repair damaged lines, improve water pressure, quality and reliability of water service.
