DeKalb Watershed Working to Replace Water Pipe Valve along South Indian Creek

DECATUR, Ga.—DeKalb County Department of Watershed Management (DWM) crews are working to replace a valve on a 24-inch-diameter water pipe along South Indian Creek Drive as part of scheduled construction.

Some customers in the area may experience low or no water pressure.

The water pressure is expected to be restored this evening when the work is complete.

Customers experiencing issues should contact 770-270-6243.
