DeKalb Watershed Crews Complete Repairs to Damaged Fire Hydrant in Rock Springs Community

DECATUR, Ga.—DeKalb County Department of Watershed Management (DWM) crews have completed repairs to a 6-inch-diameter water pipe in the Rock Springs community which was damaged when a fire hydrant was hit by a vehicle.

Approximately 30 water customers were affected by the resulting water outage.

Customers are encouraged to run the faucets inside and outside their homes to clear the internal plumbing of their residence.

Anyone experiencing issues should contact 770-270-6243.
