FOR IMMEDIATE RELEASE

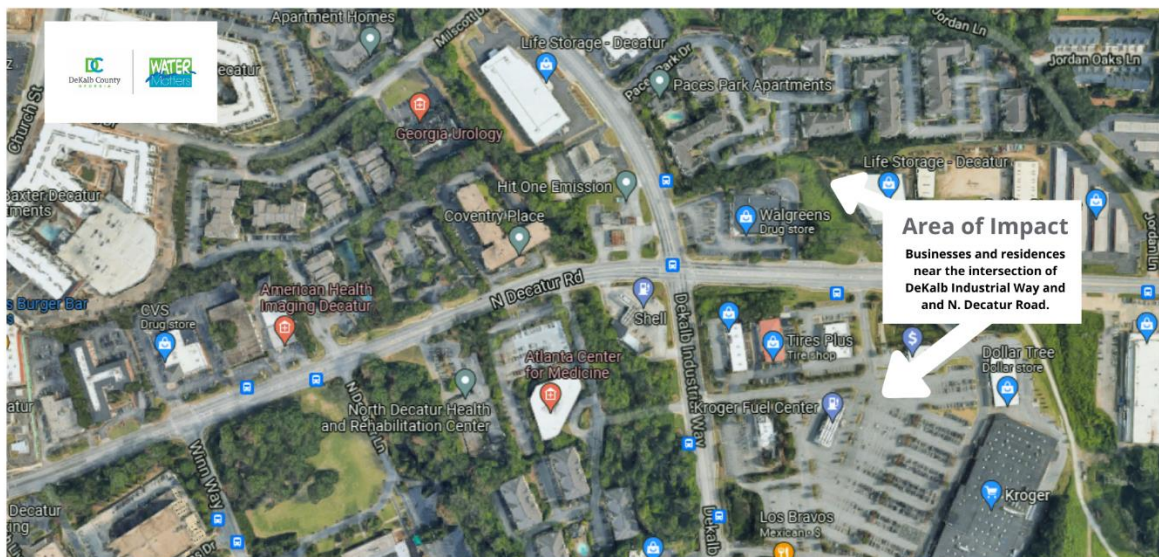

March 11, 2022

Valve Repair on DeKalb Industrial Begins March 14

Crews to rehabilitate a leaking water main

DECATUR, Ga. – On **Monday, March 14**, overnight work to repair a leaking water main will begin at the intersection of **DeKalb Industrial Way** and **North Decatur Road** from **7 p.m. through 6 a.m.** DeKalb County contractors will repair leaks in the water transmission system of a 30" main.

Residents and businesses should expect low to no water pressure overnight starting on **Monday, March 14, between the hours of 7:00 p.m. and 6:00 a.m. on Tuesday, March 15.** Engineers and construction crews will work diligently to repair the leak and minimize the length of impact to residents and business owners as weather permits.

**(more)**

DeKalb Industrial Way Shutoff, page 2

Motorists should expect delays stemming from the repair. Construction signs and traffic flaggers will assist motorists in moving safely around the repair area. Our construction crews will work diligently to minimize the length of impact to motorists.

Should you have any questions or concerns regarding the information presented in this notice, please feel free to contact the DWM Project Information Line at 1-800-986-1108 or email projectinfo@dekalbcountyga.gov. We appreciate your patience as we work diligently to make improvements to DeKalb County's water infrastructure.
