Reindeer Drive Water Line Replacement Project Begins May 11

Construction to install new diameter water line system

DECATUR, Ga. – Efforts to improve water service capacity throughout DeKalb County continues on Wednesday, May 11, with the launch of the Reindeer Drive Water Line Replacement Project. Crews will replace 22,000 linear feet of crumbling water lines with new 6-inch, 8-inch and 16-inch ductile-iron water lines along Reindeer Drive. This line repair project is expected to last approximately 12 months (May 2022 to April 2023), barring any weather delays.

Normal construction hours will be from 8 a.m. to 5 p.m., Monday through Friday, excluding major holidays. An increase in construction-related noise and traffic during work hours should be expected.

To learn more about the Reindeer Drive Water Line Replacement Project, join the virtual community meeting on Tuesday, May 10, 6:30 p.m., via Zoom at <https://dekalbcountyga.zoom.us/j/5029881429>.

Information also can be obtained by calling the DWM Project Information Line at 1-800-986-1108 or emailing projectinfo@dekalbcountyga.gov with questions.
